About us:

Mckay and Donaldson have been around for 40 years. We are a family owned and run business and are proud to be of New Zealand's Top Selling Yamaha Motorcycle Dealers. We provide excellent customer service and top quality results.

We are looking for a new Service Manager to head up our friendly, hardworking service team, servicing motorcycles and ATVs.

About You:

You will be a qualified Motorcycle Mechanic, and you will have a passion for motorcycles. You might have supervisory experience already and be looking for a new challenge, or you might be looking to take the step up to your first management role. Either way, we are keen to talk. We want someone who is keen to really take ownership of the department, so you'll be happy working autonomously.
